Temporary parking for the Howard Brown Public Safety Building

Blue Springs, Mo. – The Blue Springs water tower located at 1100 SW Smith Street is currently undergoing cellular communications mounting upgrades and repainting resulting in the loss of 21 parking spaces. The primary parking lot at the Howard Brown Public Safety Building will be closed until the project is completed in September.

Temporary parking will be available to visitors of the Blue Springs Public Safety and the Community and Youth Outreach Buildings, Municipal Court, Planning Commission, and City Council meetings on the east side of 11th Street. Handicap accessible parking will be available in the municipal parking lot at 200 SW 11th Street. Signs are posted at the entrance of the temporary lot for ease of identification.

The parking lot is also used for the Farmers Market on Saturday mornings and Tuesday afternoons and will be unavailable for parking. Visitors will need to use on-street parking when the Farmers Market is in session.

For more information, contact Chris Sandie, Assistant Director of Public Works at (816) 228-0195.
