

# Face masks can help reduce spread of COVID-19.

Help us reduce the spread of COVID-19 in our Community by following these guidelines.

## Masks ARE Required:

➤➤➤ In indoor public spaces including (but not limited to):

- Workplaces
- Businesses
- Schools
- Places of Worship
- Community Centers
- Libraries
- Medical Offices
- And more

➤➤➤ When using public transportation, taxis or ride-sharing services.

➤➤➤ In all outdoor public gathering places such as:

- Bus stops
- Parks
- Playgrounds
- Farmers markets

## Masks are NOT Required:

➤➤➤ Inside a solitary, enclosed workspace such as a private office.

➤➤➤ Masks may be removed in restaurants and bars when individuals are actively eating or drinking but must be worn at all times otherwise.

➤➤➤ When individuals are driving alone or with others they live with.

➤➤➤ When individuals are exercising alone or with others they live with.

➤➤➤ When swimming or when engaging in an activity where the face-covering will get wet (splashpads).

➤➤➤ For those who are deaf or hard of hearing.

➤➤➤ Children younger than five years old.\*

➤➤➤ Persons with a medical condition, mental health condition, or disability that prevents wearing a face covering.\*\*

\* Children younger than 2 years old should never wear a face covering due to risk of suffocation

\*\* This includes, but is not limited to, persons with a medical condition for whom wearing a face covering could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a face covering without assistance.
