**BLUE SPRINGS**  
— PARKS & RECREATION —

Dear Community Partner,

Each summer, Blue Springs Parks & Recreation hosts children throughout the area for its Summer Day Camp. The 12-week camp runs from May through August and averages 150 kids per week. That's **1800** kids for the entirety of camp; however, there are some who cannot afford to attend.

**On Saturday, April 29**, we will hold our first ever **Trivia Night and Silent Auction** as a benefit to support those in need of monetary assistance.

As a business leader, you know how costly large initiatives like this can be. With your connections and resources, I know that together we can make a huge difference.

This is where you can help. **Please consider joining us as we raise money for Kids Camp Scholarships for the Summer of 2023 by donating an item for our Silent Auction.** There are several donation levels you can choose from that can help change the lives of kids of all ages in our community.

The Mission for Blue Springs Day Camp is to help each camper discover new skills while building a community that values each child. Activities include healthy risk-taking and leadership challenges to help each person grow as an individual while aiming to build confidence and self-respect. Friendships at camp are based on honesty and a deep sense of caring. We strive to provide individual attention and unique experiences that day campers will remember for the rest of their lives.

I would be happy to provide you with more information about how you can support our event. Please don't hesitate to contact me at [pfunk@bluespringsgov.com](mailto:pfunk@bluespringsgov.com) or 816-622-4349.
